

Third Grade: Computer Lab E-Learning Day

Chose one of the assignment options below. Bring your iPad to Computer Lab to present your work to Miss Rhoads.

Type a letter to a teacher, staff member, or Mr. Wynn.

You can do this by using the Microsoft Word App. Make sure you use proper spelling, punctuation, and grammar. You will be able to print the letter and deliver it.

Find an article about a new technology and read it thoroughly.

You can use google.com to find your article and you can use the Notes app to take notes. Be prepared to share what you learned about the new technology with the class.
